

# LAS VEGAS QUILT GUILD

## Monthly Newsletter - November 2025

Happy Thanksgiving all,

There is a lot happening this month and next. It's a busy time of the year but try to find time to take a deep breath, relax and reflect on this past year. Be thankful for family, friends, especially your quilting buddies.

Our November meeting is dedicated to Veteran family members and friends. With the help of Las Vegas Quilts of Valor, we will be presenting 16 QOV quilts to deserving Veterans. Our charity of the Quarter is making quilts for QOV. We still have 2 months left and Lynn, Louise and Barbara are still accepting QOV quilt tops and asking for members to long-arm quilts that are going to be presented to Veterans in our community.

Because of the time it takes to do the 16 presentations, we decided not to do door prize tickets for this meeting. We will have show and tell but only for those people who have a red, white and blue quilt. We will have 50/50 and the President's basket raffles at the end of our business meeting (be sure to get your tickets when you sign in). After that we will go right into the Presentations. The first row in the Sanctuary is reserved for the Guest Veterans and family or friends who nominated the Veteran. Following the presentations will be a social gathering in the fellowship hall with fruit and veggie platters and cake.

If you need to pay for the Holiday party, please do that when you sign in or you can mail a check into the PO Box address for the guild before the 22<sup>nd</sup> of November (you can find the address at the top of website or on the contact page of the newsletter).

Annamaria and Maria have volunteered to chair Hospitality, but we still need someone to Chair refreshments. As Brenda is moving and Darlene has increased personal commitments both need to step down from their Chairmanship.

One last thing. For those of you who will have your BOM quilts done by the Holiday party, please email me and let me know.

Hugs, Phyllis

## About the 2025 U.S. Capitol Christmas Tree

### Nevada's Own: Carson Ranger District to Provide the 2025 U.S. Capitol Christmas Tree

A magnificent red fir from the Humboldt-Toiyabe National Forest has been selected to represent Nevada as the official 2025 U.S. Capitol Christmas Tree. Hailing from the Carson Ranger District, this stunning tree will bring the spirit of the Silver State to Washington, D.C. this holiday season.

The tree was chosen for its perfect form, striking blue-green foliage and strong, sturdy branches—a must-have feature, as it will be adorned with 10,000 handmade ornaments throughout the holiday season.

The 53-foot tree was selected by Jim Kaufmann, Executive Director of Capitol Grounds and Arboretum at the Architect of the Capitol. The selection was made from nine candidates that the Forest Service staff identified in the Carson Ranger District and the Spring Mountains National Recreation Area.

### Girl Scouts Update:

Date & Time: Saturday, January 10, 2026, from 10:00 AM – 3:00 PM

Location: Girl Scouts Service - 2941 Harris Las Vegas, Nv. 89101

Participants: Girls in grades 6–12 and any interested adults

Class Size: Planning for around total twenty girls & adults.

Focus: Learning how to use a sewing machine and making a tote bag

Materials: We will provide thread, fabric, and a sewing kit for each participant to take home. Girls are also welcome to bring their own fabric if they wish.

Machines: I currently have five sewing machines, and you mentioned your guild could bring additional machines along with the instructors who will be teaching.

### Update on Quilts:

I have delivered thirty-nine quilts to Girl Scouts; I have ten that need quilting and five that are complete. We need seventy-two twin size quilts that will complete each bed at the Frias Frontier Girl Scout Camp. I also still need volunteers to do the long arming on a few of the quilts that were given to me.

## Fall Opportunity 2025

If you have ever wanted a large-scale embroidery machine, this is it! Husqvarna Viking Designer EPIC This machine is in excellent condition, has three hoops and a large carrying case for the embroidery unit. This machine has been used only once or twice as it has less than 2 hours of sewing and embroidery time. Here is a really good review of the machine. <https://quiltsocial.com/husqvarna-viking-designer-epic-review/>

We will be giving you an opportunity to take this machine home in **December**. Let's all get together and help our guild raise funds.

See **Debi Cooper** at the Ways and Means table at the meeting, for a chance at this absolutely amazing machine. \$1 for one, \$5 for 6.

# FOR SALE

I thought I might reach out to you. For the past nine years, I've spent time with my son in a local care facility, most every day. He was hit by a drunk driver and has a nasty brain injury. Anyway, in order to help take care of him, I resell treasures I find at Thrift Stores. I recently found a Juki TL2020PE sewing machine. I listed it today on EBay for \$1,575. However, because I worry about shipping problems, I thought it made sense to reach out to folks here in Las Vegas and offer it for less. I'm hoping to sell it for \$1,200. It comes with an assortment of accessories including a platform and walking shoe. If you know anyone that might be interested, please have them reach out to my mail: [chetcreates@gmail.com](mailto:chetcreates@gmail.com). Sincerely, Chet Simmons

## Bios of the Nominees for the 2026 Executive Board

### **Grace McGrath :nominated for VP**

*I have learned so much from all the wonderful people and projects that our members have shared with their craft and knowledge over the past couple of years. I have thoroughly enjoyed participating as your VP and Retreat Chair this past year and meeting so many kind and knowledgeable people. I look forward to continuing as your VP and learning from everyone in our wonderful guild.*

### **Pam Parisien: nominated for Treasurer**

*For the past several years, I have thoroughly enjoyed participating in all the activities and programs Las Vegas Quilters Guild has offered its members. When I heard that the Guild was looking for someone to step into the Treasurer position, it seemed that this was a great way for me to give back to the organization. I really enjoyed being Treasurer a few years back and again look forward to fulfilling this position again. Having worked in Accounting and Finance during my entire working career, it felt like a natural step to volunteer as the Treasurer. I hope to use my financial expertise to serve the other Board members to the best of my ability and keep the finances secure and the Guild informed of its financial position for use in planning its future activities.*

### **Phyllis Suiter: nominated for President**

*Sewing, quilting and computers have been hobbies of mine most of my life. I have been a member of the Las Vegas Quilters since 2009 or 2010. I have been an active member of the guild and on the Board in several capacities. I really enjoy teaching quilting and embroidery and watching new members to quilting, be excited when they finish a project that they thought were beyond their skill set. I believe that our guild does so much charity work and that all members are so talented and willing to share their expertise. I love that our guild is a place where quilters can come, feel welcome, learn, and just have fun. As President, I seek to foster those goals and guide our members to meet their full potential, enjoy the comradery, fellowship and just be the best we can be as friends, and sister and brother quilters. I look forward to continuing as President for another year and working with the wonderful chairs of all the Committees.*

### **Charlene Herbert: nominated for Secretary**

Hi! I'm Charlene Herbert!

It was my work career in finance and secretarial duties that inspired me to volunteer for the secretary position with the guild. My passion has always been sewing. I followed my Mother in making men's suits, tailored shirts, dresses and other women's apparel including wedding dresses. I have also enjoyed decorating cakes of all types from ice cream to wedding. My quilting adventure started about 2012 when a small quilting group was started at the church I was attending. When I retired in 2018, it took over my life and house!! I love being part of the guild! I have learned so much and have made some truly great friendships!!
