

# Burrito Folded Pillow Cases

(Makes one Pillowcase)

Main Fabric                      3 / 4 yard

Bottom Piece                    1/3 yard

Band                                1/8 yard

Press all fabrics.

First place the Bottom Piece right side up, the selvages on the right and left side.

Then place Main Fabric right side up on top of the first piece of fabric, the selvages on the right and left side.

Iron Band, wrong sides together lengthwise. Place this piece on top of Main Fabric, cut the edges even with the cut edges of the other two pieces. Pin all three of these layers together.

Now roll up the Main Fabric like a burrito toward the band, to keep it out of the way.

Bring the edge of the bottom piece up and over the rolled fabric, edges even with the band piece. Pin this to the other layers. Be sure the burrito is not anywhere in the seam you are going to sew.

Stitch across at 1/2 inch. You now have a tube. Turn the tube inside out and press.

Trim your selvages now and finish the pillowcase with a French seam, both at the top and at the side of pillowcase.

French Seam: When pillowcase is RIGHT SIDE OUT stitch an even 1/4 inch seam. Now turn and press seam. Stitch 1/2 inch seam on the wrong side. Press again.
