

CATHY'S CORNER

Dear Quilting Friends,

I start my letter with a heavy heart!! As President I have to make some hard decisions and this is one of the hardest I've had to make. I talked to the board, and other members, and we feel that having any Guild meetings this year is going to be almost impossible. Also, we have canceled the Harvest Festival, and the Quilt Challenge is on hold. I know a lot of you have been working hard, but with restrictions on gatherings, I do not see much hope right now. Save your items, and I promise as soon as we can, we will have our sale and more normal meetings. Additionally, soon we will need to address Elections! Please contact me if you're interested in a position on the Board (President, Vice President, Secretary, or Treasurer), or chairing a Committee (there are 5 openings).

I do have some good news, we are going to have a **picnic next month** so please read on for more information. You must RSVP as we can allow only 49 people to gather, as mandated by the Governor.

I try to find good in all that is happening and believe me, that is hard right now. But I have been sewing like a wild woman! In fact I am trying quilting edge to edge. I found my 1st quilt that I pieced over 5 years ago, and believe me I made many mistakes, but I found out that hey I can do this. With a lot of practice and willpower I can do this!!! So try something new and see what happens.

I miss you all, and hope to see you in October.

Love, Cathy

Quick Tips by Phyllis Suiter

Do you know the 4 ways to make half square triangles?

1: 1 half square triangle at a time:

Take 2 squares cut 1/2 inch larger than the desired finished size, right sides together, draw a line corner to corner sew on the line. Cut 1/4 inch away from the seam and press open then square up to desired size.

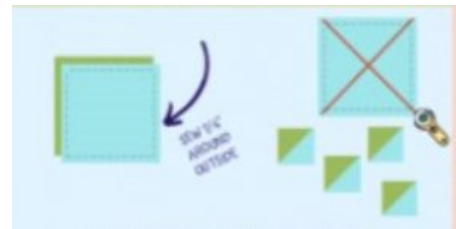

2: 2 half square triangles at a time:

Take 2 squares cut 1 inch larger than the desired finished size, right sides together, Draw a line corner to corner. Sew 1/4 inch away from either side of the line. Cut down the center. Press open and square up to desired finished size.

3: 4 half square triangles at a time:

Take 2 squares cut at twice the size of the desired finish size, right sides together, sew 1/4 inch away from the outer edge all the way around the square. Cut along the diagonal both corners to corners. Press open and square up if needed.

4: 8 half square triangles at a time:

Take two squares cut twice the size plus 1 inch the desired finished size, right sides together, draw a line from both corner to corner diagonally then draw a line across the middle both vertically and horizontally. Sew 1/4 inch away from each side of the lines. Make 4 cuts on the drawn lines, press and square up the 8 half square triangles.
